Welcome to the Treff in Finland once again! This year convention will take place at the Turku Conservatory of Music. It's very close to the heart of the city and the hotel is at the shore of the famous river Aura. It just happens to be that our hotel is an old retired ship s/s Borea on that river. It's not the fanciest, but I heard it was delightful and very personal (back in the day). Sauna, breakfast, bathroom and towels are included. We will also have a dinner on Friday at the deck 4, and the bar "Manöver" is open from 17-24 at the deck 5. Our dinner for Saturday is in the restaurant Göran which should be at the same courtyard. The lunch, dinners and coffee are included for all the participants.

Arrival to Turku is a no brainer. There is a train leaving straight from the Helsinki-Vantaa airport to the centre of Turku. Our western friends have an opportunity to travel by ship; the harbour is almost next door.
